- 2) Acceptance is for one academic year only. Applications for a second year will be considered during January of 2010 and acceptance is strictly limited.
- 3) All Intercollegiate Halls are strictly non-smoking.
- 4) All halls accommodate both male and female students. Some halls have segregated floors and you should state when applying if you require this option.
- 5) The catering provision varies between the halls. Please see individual Hall information for further details. Students with specific dietary requirements should consult the Bursar's Office of the hall before applying.
- 6) All residents must pay a fixed subscription to the halls elected Student Social Committee, who control their own expenditure and whose sole function is to further the interests of the student body.
- 7) All successful applicants must pay a deposit and registration fee on acceptance of an offer. The deposit is held by the University against future charges and may not be used against any part of the fees. The residue is ultimately returnable under specified conditions. The registration fee is not refundable. Please read the terms and conditions on the acceptance form carefully.
